

BASLOW BOWLS CLUB DEVELOPMENT PLAN GREEN IRRIGATION SYSTEM

Baslow Bowls Club is seeking member's support to purchase an irrigation system for the green with the aim of improving the green quality. To this end, the Club is seeking donations so that the system can be purchased within a reasonable time frame.

Donations to this fund are **entirely voluntary**. A suggested sum of £75 per person would make a significant contribution. If every member was able and willing to give this amount, it would put the Club in a good position to purchase the system this year. However any amount pledged would be most gratefully received.

If you wish to donate please tick and complete one of the options below:

Name(s).....

Address:.....

.....

Should the decision be made to proceed with the irrigation system, I (we) will:

1. Pledge to loan the Club £.....on the understanding that this loan will be repaid over a reasonable period.

Should **I/we** for any reason cease to be members of Baslow Bowls Club, then we **would/would not** want any balance of the loan remaining to be repaid (delete as appropriate).

OR

2. Pledge to donate to the Club £..... In the knowledge that once paid **I/we understand** it would not be possible to return this donation.

Please do not sent any money at this stage – we are simply seeking to determine whether we will be able to proceed, and when.

Please return this proforma to Larry Harfoot at the address below. Its contents will be treated in strict confidence.

Larry Harfoot, Moorcroft, Froggatt Lane, Froggatt, Hope Valley, S32 3ZA
